

§ 930.141 Notification of Federal actions believed to be inconsistent with approved management programs.

(a) Interested parties are invited to submit to the Assistant Administrator detailed comments related to the alleged inconsistency of Federal activities including development projects, Federal license or permit activities, including those described in detail in OCS plans, and Federal assistance activities which are subject to the requirements of this part, and which have not been found by a Federal agency or State agency to be inconsistent with an approved management program. Copies of such comments should be sent to relevant Federal and State agencies, and to the applicant, person or applicant agency as appropriate.

(b) Comments need not conform to any particular form, but should be specific, substantive and factual, and must describe how the Federal action is or would be inconsistent with an approved management program.

(c) Commentators are encouraged to recommend modifications or alternatives to the existing or proposed action which would enable it to be consistent with the management program.

(d) The Assistant Administrator shall assure that public information within such comments is made available for public inspection.

§ 930.142 Notification of Federal actions believed to have been incorrectly determined to be inconsistent with an approved management program.

(a) Interested parties are invited to submit to the Assistant Administrator detailed comments related to Federal license and permit activities, including those described in detail in OCS plans, and Federal assistance activities which are believed to have been incorrectly determined by a State agency to be inconsistent with an approved management program. Copies of such comments should be sent to the relevant Federal and State agencies, and to the applicant, person, or applicant agency as appropriate.

(b) Comments need not conform to any particular form, but should be specific, substantive, and factual, and

must clearly describe the basis for the belief that the State agency has incorrectly objected to the Federal action on the grounds of its inconsistency with the management program.

(c) The Assistant Administrator shall assure that public information within such comments is made available for public inspection.

§ 930.143 Assistant Administrator reporting.

After considering the views of interested parties, the relevant Federal agency, State agency, and the applicant, person, or applicant agency, as appropriate, the Assistant Administrator shall determine whether the Federal action will be included in the annual report listing of inconsistent Federal actions.

§ 930.144 Assistant Administrator advisory statements.

Upon request, the Assistant Administrator may issue as advisory statement prior to the issuance of the annual report indicating whether a Federal action will be listed within the annual report as being inconsistent with an approved management program.

§ 930.145 Review of the implementation of Federal consistency provisions.

As part of the responsibility to conduct a continuing review of approved management programs, the Assistant Administrator shall review the performance of each State's implementation of the Federal consistency provisions in this part. The Assistant Administrator shall use information received pursuant to this subpart to evaluate instances where a State agency is believed to have either failed to object to inconsistent Federal actions, or improperly objected to consistent Federal actions. This evaluation shall be incorporated within the Assistant Administrator's general efforts to ascertain instances where a State has not adhered to its approved management program and such lack of adherence is not justified.
